First, all games will play to a winner, no regular season game will end in a tie.

In the event there is a 3 way tie at the end of the regular season playoff seeding will be determined by:

1-head to head record

2-lowest points scored against being the 1 seed and so forth  
(Only games played amongst the tied teams will be used to determine points against)

3-coin toss

Roster forms and player cards will be posted to the website and must be used for the 2020 season.

The same protocol forms collected before practices will also be collected before all games.
