Harrison jr's have a 14 person roster and will be placed on probation for 2019 for insufficient roster.

Carlstadt/E.Rutherford will not field a peewee team for 2019. They are currently on probation from not fielding a jr team in 2018, being it's the 2nd time in two years there is a possibility they will be thrown out of the league. (As a league we have to our part to keep the league strong and further discussions will be taking place in the near future)

Lyndhurst: sent email to head official Ron Waack concerning a non-called helmet to helmet. Ron clarified the call and all were satisfied. No further issue.

Hasbrouck Heights parent sent an email about the officials during the HH/WR game
No league rep or coach from HH complained, so this was dropped.

Refs wanted to end the game after the 3rd quarter and by pass playing the 4th quarter b-game. they were shown the bylaw and stayed. They were a new crew.
Every town must take control of their field and make sure everything is run the way they want. We control the league not the officials.
